# Short-range Benchrest League

## Winter 2024-25

Individual and Team (three shooters) Leagues.

Entries are open to **ALL Benchrest shooters**.

Any sights and, if numbers allow, a separate Iron sights league.

Shooters can enter both iron sights and any sights leagues, provided averages for each are given. Averages are to be calculated from the best FIVE of the last SIX cards shot.

Team members can shoot any combination of rifles as overall averages will be used. All team members must also enter the individual competition with the rifle(s) they use for the team competition.

If more than one team is entered, the best available shooters must be entered in the "A" Team, the next best in the "B" Team and so on.

Open to 0.22" Rimfire and either 0.177" Air Rifles (scored using an NSRA 22A gauge) or 0.22" Air Rifles.

The closing date for entries is **1st September 2024**. Late entries may be accepted if time/numbers permit.

There will be Divisions of six shooters for the Individual competition (numbers and spread of averages permitting); the team league divisions will depend on the number of entries and averages.

The competition will comprise 10 rounds shot using NSRA 2510 BR15-18 Targets (or 20yd equivalent).

The first two rounds are to be shot by **30th September 2024**.

The competitions shall be run under current NSRA Benchrest rules, which can be downloaded from the NSRA Web site ([www.nsra.co.uk](http://www.nsra.co.uk)) - unless otherwise stated.
